This will help you **increase** their personal
involvement and higher **retention**.

NaturaPeel®

FAST AND GENTLE LASER PEEL

The laser pass on the natural cream, based on bamboo carbon extracts, removes the superficial impurities.

NATURAL LASER PEEL CREAM

The Natural cream makes the laser peel treatment unique preserving the benefits from the original cream with a more eco-friendly and sustainable procedure.

TREAT-AND-GO

The treatment is free of down-time with immediate effect of smoothness and reduced facial pore sizes.

DÉCOLLETÉ

REDUCTION OF REDNESS

For a décolleté skin free from undesired skin vascularization caused by sun exposure.

tone uniformity

For a more homogenized décolleté skin free from undesired photo-aged dark spots and age signs.

SKIN TIGHTENING EFFECT

To promote neocollagenesis helping the skin being more tighten with wrinkles reduction.
